- Help encourage and develop the acting talent of the future.
- Help develop our theatre and facilities.
- Enjoy great company visibility, advertising opportunities and employee benefits.

Chipping Norton Theatre is a much-loved Cotswold home to theatre, independent cinema, music, comedy and much more. We offer a huge range of interactive arts activities, and produce our own theatre productions. We are a socially enterprising business, a charity, and we aim to be at the heart of our community.

In a normal year The Theatre earns 75% of its annual income from trading - a tremendous achievement for a venue with just 220 seats. We rely on the generous support of corporate and other partners, to enable us to do the rest.

Key Information:

- The Theatre welcomes over 50,000 customer visits in a typical year.
- 40% of tickets are sold to West Oxfordshire residents; 17% to Cherwell District; 11% to Gloucestershire; 6% to Warwickshire; 4% to Oxford City; the remainder to areas including Birmingham and London.
- Our 220 seat auditorium hosts up to 127 live performances and 129 film screenings in a typical year.
- Distribution for our season brochures is strong with 15,000 copies to our mailing list up to three times a year, and to tourist information centres, supermarkets and libraries and visitor attractions.
- Up to 99 pantomime performances scheduled each year between November and January.
- Up to 1,000 Panto programmes sold each year.
- Advertisers and supporters thanked and tagged on our social media. Social Media reach (followers): Facebook 8.2K, Instagram 3.6K, Twitter 3.6K, (2023).
- We gain national recognition for our in-house productions including our famous Pantomime.
- We work with thousands of children and adults each year through our 'Take Part' community programme.
- We offer free community tickets and 'Take Part' bursaries each year to families facing hardship.
